Sir:

At this time, the U.S. PTO incorrectly reports the attorneys of record in the present application as those named in the original inventor's declaration in parent application no. 09/591,757 ("the '757 application"). Acceptance of change of power of attorney was acknowledged on April 8, 2003 in the '757 application, of which the present application is a continuation. A notice regarding change of Power of Attorney (and Notice of Acceptance of Power of Attorney), first filed with the above captioned application on January 02, 2004, are presented here again for your review. A copy of the revocation of power of attorney filed in the parent application, along with its stamped filing receipt, are also included for your review.

Please update all records to reflect that the attorneys of record in the present application are Gary M. Nath, Registration No. 26,965, Customer No. 20529, et al.

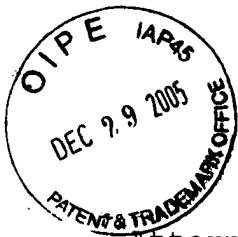

Respectfully submitted,
